

Non-Certified Comprehensive (NCC)

Bed change requests involving Non-Certified Comprehensive Level of Care beds will be processed under the following guidelines. The effective date for these bed changes is the date requested by the provider but not earlier than the date the request is filed with (received in) the Division of Long Term Care. Bed changes are not approved retroactively. If the bed change is the result of new construction in which either a Life Safety Code, State Fire Code or Sanitarian Inspection is required, the effective date of the bed change will be the date that these inspections are released and you are authorized to occupy the area.
